Our beloved Rasool Hazrat Muhammad (SAW) was endowed with impeccable qualities from which we can learn a lot to improve our life style. Humbleness and simplicity were some of his many qualities. By adopting the sunnah of simplicity and humility, we can eradicate the social evils like ostentation, haughtiness, arrogance and pride. Regrettably we squander our hard-earned resource on over others. If we make simplicity and humility a part of our personality, our social behaviour will be considerate and genuine, our happiness will be unadulterated and we will not recoil our heads in pride but bow them in humility and affection.
